

**CLASSIS NORTH OF THE FREE REFORMED
CHURCHES OF SOUTH AFRICA**

Pretoria 24 Nov 2016

To: **Synod FRCSA 2017**

Re: **RCNZ**

Esteemed brothers.

Classis North decided at its meeting of 19 Aug 2016 to send following request from Maranata to synod as an agenda point labelled:

“Relationship with RCNZ”

“The Church Council of Maranata would like to ask next Synod in 2017 to investigate the possibilities of getting into a sister-church relationship with the Reformed Church of New Zealand. More than once members of Maranata have immigrated to New Zealand, and they became members of the RCNZ. During the synod of our sister churches in Australia recently, it was also decided to start sister church relationship with the RCNZ. In line with proper church orderly procedures, we therefore ask you as Classis to forward this request to next snod with your endorsement”

With brotherly greetings.
